We Care!

By: Kim Winters-Martin

The Winter Storm of 2021 took alot of people by surprise. Our thoughts and heartfelt prayers go out to everyone that was affected by it. As you continue the rebuilding and restoring process, we want you to know that we're here for you!

House of Faith Community Church Outreach Ministry, The Bridge, was able to assist our community and surrounding areas that were affected by the storm. The Bridge provided food, clothes and resources assistance to everyone that came out to our social distanced Community Care Support Event.

If you are in need, please email chief_staff@houseoffaithcc.com for assistance and/or resources. If you would like to donate to The Bridge, please visit our website. We can do more together!

Monthly Challenge: Use Your Benefits!

"When we stay closely connected to God, we can enjoy the many fruits that He desires for us to have like peace, kindness and joy along with the power to make behavior changes that He intended us to have. We are more likely to behave and think in a way that aligns us with His will for our life. We can have the hope that can only come from being close to Him."

After you receive the Holy Spirit, you are automatically enrolled in the benefit plan. Be sure to keep your membership active by praying, fasting, and seeking God first. If you need to re-enroll, simply cry out to God and your policy will be renewed. Tap into your benefits today and extend love, peace, joy, patience, long-suffering, and forgiveness to everyone you meet. Be the conduit that you've been called to be!
