UNITY & LOVE!

Let us pray for our brothers, sisters, and this world without ceasing. Let us continue to show love and unity. Let us be the Light in the darkness. Let us raise our little boys and girls to be impactful and great. Remind them that our Faith lies within God and not what's in our Face. We often hear that tough times don't last but tough people do but remember it's not in our toughness but it's God that will see us through. Pay attention to what's going on around you but don't become distracted. We have to stay in position so that we can be impactful. We are the Light. We must Unify. We must Love!
