In the near future, we will be partnering with Amazing Grace Food Pantry.

Amazing Grace Food Pantry's current mission is to serve 2 million tons of food while being debt free. They now serve around 1,800 families in Collin and Rockwall Counties.

We believe this partnership is an amazing avenue to share the Love of Jesus, to help fight hunger together, and reminding people of their importance. Keep an eye out for volunteering opportunities.

House of Faith Christian Center Outreach Ministry, The Bridge, will continue to offer emergency assistance for the community and surrounding areas.

Please stay tune for more information including how you can be a part of this great serving opportunity. If you would like to make a financial donation to The Bridge, please visit our website at www.houseoffaithec.org. We can do more together!
