## APOSTLES DEXSTER & DEMOSHA SPELLER

### From Our Apostles Desk!

Apostle Dexter Speller taught a series entitled, "Don't Carry The Weight - Subtext: Time To Breakout and Be Free!" Weight can be sin, the past, guilt, shame, rejection, or other people's opinions of you. Apostle explained that if we don't drop the weight, we will adjust to it and compromise our authenticity. ### Vision Forward!

Habakkuk 2:2-3

Our Apostle has written the vision and he is making it plain! We are so excited for the development of the property. Plans are being worked and construction is underway. We are on the move in the City of St. Paul. Stay connected for more information!

## **10 Ways To Enjoy Complete Freedom!**

1. Claim the finished work of Christ in its entirety.
2. Develop intimacy with the Lord.
3. Avoid sin.
4. Avoid bad company: one that pulls you away from God and increases your tendency to disobey God.
5. Practice the truth you know. This is called faith. Miracles happen only to the believing. Doubts never produce your desired results.
6. Get help. Get ministered to if you have not.
7. Watch Your Tongue. Never give permission to your enemies through your words.
8. Employ the weapon of praise. Praise is your verbal and physical response to the greatness of God. Music, singing, worship, create an atmosphere for miracles.
9. Develop a hunger for the TRUTH: the Word of God. Only those who hunger and thirst after righteousness get filled.
10. Pay your tithe faithfully and regularly. Also support the spread of the Gospel with your financial seeds.
